

Hollands Wing (12 beds) and Waratah Lodge (17 beds) are a mixed ward at Orbost Regional Health with a total of 29 beds. Nurse to patient and nurse to resident ratios that apply to the mixed ward as per the Safe Patient Care (Nurse to Patient and Midwife to Patient Ratios) Act 2015 are:

Hollands Wing

- Morning shift – one nurse for every 6 patients
- Afternoon shift – one nurse for every 7 patients
- Night shift – one nurse for every 10 patients

Waratah Lodge

- Morning shift – one nurse for every 7 residents
- Afternoon shift – one nurse for every 8 residents
- Night shift – one nurse for every 15 residents

It is anticipated that occupancy in Hollands Wing will be 55% and Waratah Lodge occupancy will be 95% in the next 6 months based on the previous 12 months' occupancy data.
