ORBOST REGIONAL HEALTH

Orbost Regional Health provides acute, urgent care, medical and specialist services, and an array of community health, welfare and aged care services. We aim to meet the community needs utilising a flexible funding model. Partnership arrangements enhance our ability to delivery services to an area covering one million hectares across Far East Gippsland. At Orbost Regional Health our innovative multipurpose service has the capacity to embrace a holistic approach to health and wellbeing. We provide not only the Acute and Aged Care facilities, but also many other services to maintain the physical and mental well-being of the community.

POSITION OBJECTIVE

The purpose of the Projects and Innovations Officer role is to support the Executive Management team at Orbost Regional Health by engaging and supporting staff in the implementation of evidence-based improvements to effect consistent, sustainable and contemporary models of practice to drive quality and operational performance improvement. The Projects and Innovations Officer will have responsibility for managing and coordinating agreed service improvements and act as a resource for the project teams, helping develop a robust work plan, and evaluation strategy, reviewing and evaluating operations at various points in the improvement cycle.
